

Month of the MILITARY CHILD

"Overcoming Challenges,
Adapting Today for a Stronger Tomorrow"

APRIL is the Month Of the Military Child (MOMC)!

This year's theme, "Overcoming Challenges, Adapting Today for a Stronger Tomorrow" never seemed more appropriate than it does this week. Military families, who are no stranger to dealing with uncertainties and changes, are navigating even more difficulties due to the COVID-19 Quarantine.

In honor of MOMC we are having a drawing/writing contest!

Answer the question,

"HOW ARE YOU ADAPTING TODAY FOR A STRONGER TOMORROW?"

Entries should include a written portion and an illustration

Winners will be selected from each of these age based categories;
0-2, 3-4, 5-6, 8-10, 12-15, and 16-18.

Submit finished projects via email to rachel.n.fox-johnson.ctr@mail.mil

DEADLINE: 18 APRIL 2020
